“ *David,*
So saddened to hear of Mary's passing. Than goodness we are subscribers of the (now) Western Wayne News as it has been a strong connection for my wife and I now that we live in Florida permanently. Mary was always kind to me, whether it be a viewpoint on the school or my golf team. Such as easy smile and a gal seemed to do more than just a few things but really didn't seem to care if others even knew. Take care my friend, our prayers and thoughts are with you.

“ *I was new to Hagerstown and I kept finding bags of veggies hanging over my fence. Then I met my new friend; My "over-the-fence" friend who soon be came a cherished part of my life. As her health declined, we soon found weekly written notes just as cherished as our over-the-fence talks. One cannot replace a friend so valuable as Maryann...but I will cherish her memory on a daily basis.*

“ I was visiting back home (that's what I always called Indiana) one summer as a young adult and Aunt Mary Ann and Uncle David invited me for dinner. Aunt Mary Ann was cooking at the stove and I asked what she was making and she said zucchini. I was trying to think of a polite way to decline but knew I would have to at least try it. She had made these breaded zucchini medallions and fried them to perfection. From then on I have learned to enjoy zucchini many different ways. I will miss her spunky personality and her way of telling it like she saw it. I love you Aunt Mary Ann.
