

Michael R. Brooks

December 7, 1977 - April 16, 2020

April 16th, 2020 our dear precious Mikey (Michael Ryan Brooks) 42, went to meet his heavenly Father. Michael had a passion for life and all who knew him loved him for that amazing smile, good natured demeanor and kind loving heart. Those that knew Michael knew they had a friend for life. Michael enjoyed deer hunting with his uncle Lanny, working on vehicles as he was a talented auto tech who graduated from Hagerstown, High School, and North Western Technical College in Lima Ohio, and worked for numerous shops in the area. He was adventurous and loved a fast dirt bike or 4-wheeler. He loved his family his step dad (Bart Pflum) was the father who stepped in when Mikes biological father (Terry Lynn Brooks) passed away from a tragic automobile accident in 1979 and couldn't be there to raise Michael. As his mom (Camellia Pflum) Michael was and will still remain the love and light of my life forever in my heart. Survivors include paternal grandmother Patty Brooks, uncle Lanny (Linda) Brooks, aunts Tracy (Jerry) Culberson, Tammy (Mike) Flock, and uncle Tas Goodpaster, several cousins and many dear friends. Michael is preceded in death by his father Terry, paternal grandfather Wilbur Brooks, and his maternal grandparents, Charles and Mildred Goodpaster. There will be a private memorial for family and close friends at a later date.

“ *Camellia and Bart*

We so loved Mikey, he was the best nephew a uncle could ask for. He was always so kindhearted and loving. Even when he was a little boy, he would always help me fix things and he wanted to be with me doing any type of work. He and my son Erik, and daughter Kim so enjoyed playing and being together. I will so miss hearing him laughing and see his wonderful grin and smile. I was so proud of him for being one of the best auto mechanics around. The most wonderful times we had together was hunting. He loved hunting and fishing and the outdoors. Our hearts are breaking. God bless

“ Mike was a very dear friend to my children. He and my kids were together a lot of the time playing. Mike was the 1st one to contact my daughter when her brother, Chad died. He was always there. My deepest sympathies to your family. Carol Necessary

“ My prayers are with the family during this sad loss. Mike was a great friend to my late partner Joel, and was always ready to lend a helping hand. He was truly caring and big-hearted, and often spoke of how thankful he was for both your and Bart's help and guidance
