“ *I've been away for a while... I remember Mike from way back. He and Brian let my dad play ball with them occasionally. He was always very nice to me and always finding laughter in everything. Good fella for sure. God Bless the family. Walk them through the tough times. Pick them up when all seems dark.*

“ We had so much fun growing up together and going to church functions in that old van of Voyle Dale's. I remember Mike and Gregg always being the jokesters of the group. We just never knew what they were going to do next, but we were always ready for something good out of those two. God Bless Mike for bringing so many Smiles to all our lives.
