“ My humble and heartfelt condolences to all of those around uncle Mike. I will always remember when I got to go with uncle mike to the Delaware county's fairgrounds to the upcoming yrs auto show. He took a picture of me next to a 69' Plymouth roadrunner. He was always a gentleman and a great uncle to have been in my life. RIP uncle Mike

My heart aches to read this. Mike was always nice to me and all of Natalie's friends that lived at their house every weekend from taking us skating to picking us up! My most fond memories were going to Kings Island every year numerous times throughout the summer as we were all roller coaster addicts! Mike is the one who talked me into going on The Screamin Demon!!!

After I finally got on then he said try the front seat, try the back seat! So from then on Natalie and I rode every single Rollie coaster in the front and in the back. We would always stay sun up til they closed! What fun!!!

RIP Mike you are free from pain!
