“ *I can never express what Muriel meant to me! I will never forget my elementary years with her as my principal to the 7 years as my mother in law! Muriel will forever be in my heart*

“ *I, Ronald James (Jim) Hercules, Muriel, called Mel by her Dad Murvel who was also my Dad, went on a double date in 1957 to a drive-in theater, our dates I don't remember but I can assure you as Muriel's half brother that I am not deceased as her sister Joyce Ann is who was my step sister. I will be 87 on June 6 and live in Wooster Oh. We each met with our mates and babies in Webster @ Bob Tutterrow's house in 1962 or 1963. Muriel, Bob, a baby and Martha stopped here at 1123 Perkins Ave on their way back from a visit with relatives in Akron and we all had a picnic lunch outside at a picnic table. I didn't acknowledge Martha's death because I didn't know off it for quite some time and maybe that's why Muriel fell out of touch with me. I did send her a notice of my sister Marjorie's death but I heard nothing from Muriel. Here is my sincere condolence for your loss of your mother. Your half uncle R. Jim (I guess).*

“ *She was a wonderful person. I will never forget when my son broke his leg at 6 years old. He couldn't get on the bus very easily, she stopped one day after school and volunteered to take him to school while he had his cast on. What a relief that was! May she Rest In Peace!*
