“ Dear Dee Dee, Sherri and families, We cannot find the words to tell you just how much your Mother meant to us. She was always a part of our family, too. We've missed not seeing her over these last years, but she never left our thoughts and prayers. There are so many memories of her and Nellie and the vacations we took together. She was just a very special, classy lady. We are very sorry we cannot be there today to share in her life and see all of you. Please know you are in our thoughts and prayers. Heaven shines a little bit brighter today as your Mother sits at the feet of Jesus. We pray that God gives you comfort and peace as you face these days ahead. We love you and may God bless you!
