“ *What a beautiful memorial tribute video for a very special lady.*

Patty lived her life as a precious example of strength, gracefulness, and graciousness. She was a lady through and through. We were blessed to know Patty and to have her in our lives. We pray those warm memories of times together, and the knowledge that she is in the company of the Lord and loved ones who have gone before her, comfort all who love and miss her.

“ A dear lady who enjoyed having fun. We had a great visit at lunch a year ago and planned to meet this past summer; however, Covid 19 came into play.

Patti and Lothair were in 49er class at Hagerstown.

May God comfort you in knowing that she love the Lord and she is with Wilbur again.

“ God has blessed you Patty and now he has you with him heaven I only had the opportunity to spend time with you on a few occasions but when I did they were memorable

(you almost had me going to clog dancing lessons after one of them) im forever blessed to have been / be part of your family and I will not forget those times in Indiana at jerry and Tracys home as they have showed me how to appreciate god and family. I will always keep your family in my prayers and thoughts , when I practice my craft in the following days I will be thinking about you .and when we are all back together again I will have learned how to clog dance and we will get to do that dance that I promised you .

Our thoughts and prayers are with your family during this most difficult of times. Keep smiling through your tears as your mom prepares to dance all the way up that “Stairway to Heaven” to meet your dad, who is patiently waiting at the top, to lead her into their first dance together in 15 years! What a joyful dance that will be!
