“ Aunt Dollie Pursley wants to note" Pat- I will miss our many phone conversations - you were always more like a sister to me instead of a niece since we were so close in age. I have lots of fun memories when you visited me with Aunt Harriett in North Carolina!" We both loved the show Survivor and discussing who we thought would win the million dollar prize. Dollie- momma also has fond memories of the Dollymomma Dale Earnhardt statue that her and Phyllis bought for Dollie for her special Dollymomma collection that she holds so dear to her heart. "I will miss you!, I love you and all your sisters!"
