“ *Aunt Patti Lou as I knew her and is also my name sake my Daddy Arthur Dishman said he named me after his favorite cousin now they are together. I was so fortunate to live with this family for awhile one summer. Brad and Roby had lots to do during the day so I followed Patti Lou and Uncle Earl around on the farm. This was one of my most favorite times in my life she taught me so much during that time just watching her was a lesson. Very loved as she loved so many.*
