“ *Patty and I were good friends in grade school! We lost touch. But have often thought of her. I remember she worked at Arlens in New Castle as a security guard. Every time I went there I saw her. Then I told her it's odd every time I come in you are here. She laughed and whispered I'm a security guard. She was always kind to everyone. We enjoyed lots of fun times together. Love and prayers to her family. Patsy Toler Langston*
