“ *Paula and I had a great friendship during our years working at Union Chapel. Her smile lit up the room and her laughter was contagious. We travelled to Kazakhstan and to staff retreats. Weekly lunches at Puerto Vallarta. Paula prayed on the spot for anyone anywhere. She was kind and sympathetic and very wise. I know her family and friends will miss her. But what a moment of. Wow ration there must have been when she entered the presence of Our Lord Jesus.*

“ It's unfortunate to honor someone after their death. Paula was the singles pastor in Muncie the first 5 years of my first job as a Social Worker. I went to 3 mission trips led by her to the Navajo and Apache reservations. She opened her home and her pool. She led our singles Bible Studies, helped us engage in local outreach, created fun events and loved on us well. When folks ask who influenced my life. Paula had to be one of these people in my 20s. Rest well my friend. I will strive to let your life and influence live on through me.
