“ There just aren't enough words to describe Grandma. LOVING, kind, caring, generous, comical...are just a few words that describe Grandma. She is deeply missed and forever loved. It takes a special person to embed lasting memories into the hearts of many and that is just what Grandma did. No matter the length of time a person was able to have Grandma in their lives, she engraved her spirit into their lives as a "stamp" to pass onto others. Her life on earth was long with many happy memories but it is not the end; Grandma's journey is just begining in Heaven. We will surely all miss Grandma very much, but she is still with us in our hearts and our memories. We love you Grandma.Loving you always,Marissa Favorite ,

“ Scotty has been our neighbor for several years. I will never forget the chats we would have from time to time. He was a quiet neighbor, but one we always knew would be there if we needed help. He was a good person. We will miss him as our neighbor, and as our friend. Taken from this world, but forever in our hearts.,

“ Chris, "Those whom we love and lose are no longer where they were before. They are now wherever we shall be." May time heal your pain until all that is left is the beauty of the memories and the love, always the love. My prayers and thoughts are with you and your family at this time. Kathy Hopay ,

“ I remember Phyllis as a wonderful woman who was a very hard worker and had a wonderful sense of humor. We had great times in Girl Scouts - especially at camp. I know she was wonderful with children and was very devoted to her family. She had great children and was proud of them. I saw Lori and Sue the most and enjoyed my time with them. I am grateful for all Phyllis taught me and will always remember her. I know her family will miss her greatly, but I know they have many fond memories. Emma M. Bogue,

“ *Although we had never really been introduced to "Scotty", we felt like we knew him. He would drive past our farm everyday and would always wave. We will miss seeing his red truck drive down the road as he headed to the truck stop or as he headed back home from his daily visits there. Our thoughts are with his family.....
