“ I never knew Pollyanna but I just came for her estate sale. Thru this and this site it is evident Pollyana was a Beatiful Special Person I wish I had known. I feel honored to possess and pass on some of her Treasures. I now Wish I had purchased some of her art. Even though tho they are merely material things I hope thru these treasures in some way Pollyana you will live on. The gift of some of your treasures have already brought joy to my mother. Thank You for that Pollyana. I felt a specialness in your home. May You Rest In Peace Pollyanna. Kay Joiner.,

“ Our community has lost one of their best with the passing of Viola. A small wooden chair that we have in our home came from George and Ted's store sixty-plus years ago. Many of us have known her since childhood and it was always a pleasure seeing her. She will be missed.,

“ I always thought Pollyanna Ammerman was a pretty name. I don't remember her but through the pictures of the Kitchel Renunion at Bill Kitchel's east of Boston around 1947. I was always fascinated that I had the same name as Donna Jean, a very pretty "older" cousin and the fact that Jerry Kitchel played basketball against the Kitchel Cowboys. Grandma Lula made the best pies and Robert was the corn husking champion. My sister, Marlene, passed away last September and I don't think any Kitchels are in Union County now. Larry and I send condolences to your family as you celebrate her life and remember the memories of your mother.,
