Such an awesome video. It shows his love of family and fishing and friends. I loved the picture of him cooking steak for me in the rain, and the ones of us in Gatlinburg. I remember taking a couple of those pictures. I told Randy a few days ago, that we have had a good life and lots of good times. RIP our friend.

“ *What a wonderful video of a dear friend. What a sad loss we are sharing. I can remember when Randy and Sandy moved to Liberty and how quick my kids, Whitney and C.J. took to them both. C.J. used to follow Randy around like a lost puppy and when Randy said he was bad he would take him to get ice cream and make him eat it. My kids just loved them both like they were their grandparents. Our hearts go out to all the family during this time of loss. We will forever keep the memories in our hearts.*

“ I was thinking last night of all the fun we have had over the years. From my wild motorcycle ride back in 1975 to all our fun in Gatlinburg. The gentle time when Randy took care of my foot after surgery, treating me like a horse LOL. To the time he cooked steak for me standing out in the rain. He Loved his family first and foremost, his children and grand children meant the world to him and he was so proud of them all. Cec lost his best "bud" and I lost a good friend. If there is fishing in heaven, I know he and Elmer are seeing who can catch the biggest one.

Our hearts go out to the family, as we know how hard it is to lose a parent. Prayers for peace and comfort for you all.

Much Love,
Connie & Cec
