“ Dear Family, I really do not know where to start, except that i am so sorry that I can not be there in person. Rome was a very special man and would do anything for anyone. He helped me when I was at my lowest, and wanted nothing in return. That to me, goes way beyond the "cousin link". With a heavy heart, I sincerely hope that you all are able to turn to each other in this time of need and help one another out as Rome has done for everyone during his life. I love you all. Julie,
