“ *What a wonderful grandpa! He was fun and loving and yet strong. He always had time to be silly with us as kids, jumping over chairs, playing UNO and making jokes! :) He and my grandma both had a great impact on my life and definitely had a part in making me the person that i am today! I was honored to have them for my grandparents! I wish i could have spent more time with grandpa in his later years! I will miss him soooo.... very much! He will always be in my heart!,*

“ *Our thoughts and prayers are with the Walker family this evening. Dick has been a family friend for as long as I can remember. I spent alot of time at their home as a young girl and have many special memories shared with the family. Dick was always laughing and making other people laugh. His humor and wit was like no one else I have ever known. He and my father were the best of friends and I loved listening to the two of them share stories from their past. Praying for comfort and peace for the family. Love, Wanda,*

“ *My prayers are for the entire family. I loved Uncle Richard very much and it hurts my heart that he is no longer here. I have so many wonderful memories of him and I treasure them. I keep thinking that he now has good eyes and knowing Uncle Richard, if possible, he is walking all around heavens streets. I use to love walking with him when I would visit with mom. He was a joy to be with. I pray for peace and comfort for you all. How i wish I could be there with you today. Love to you all,*
