“ *Soooo many memories of Rob. We were pretty much inseparable our Jr & Sr years of high school. I'll just say that Rob never failed to come along for my poorly thought out misadventures even if they though they weren't the greatest ideas. We were young, lol. Rob was my brother and I am sincerely devastated. My deepest condolences to all of his family, John, Marilyn, John, Dennis, Steve, Brenda, Sheila and those I sadly have not met. I sadly cannot come from Wyoming to pay my respects and I'm sorry. You are in my thoughts !!!*

“ *I'll never forget Rob and I in Starfire together we had so much fun. I went to his house and rode his motorcycle he had. You had to wind it up and pop it into the next gear because the clutch was messed up. Rob was such a Great ,Caring, Fun-Loving guy. I will miss him dearly. God Bless Rob's family and friends Love y'all!!!!*
