“ *Emmabelle, Myron, & Carolyn,
So sorry about Bob's passing. Bob was instrumental in asking me to help with the 4-H Tractor Club in the 70's. He also helped me learn about operating our first Gleaner combine. Sure enjoyed all the fun times and conversations at the shop! He will surely be missed...Byron & Linda Kinsinger*

“ *Emmabelle, Myron, and Carolyn we were so sorry to hear of Bob's passing. He has been a part of my adult life for as long as I can remember. It was probably forty-five years ago when Bob, myself, and a few other characters, taught the 4-H tractor class I'm also still using a field sprayer he helped me build.*

Please know that you will all be in our prayers.

“ I have a great memories of going to High School with Bob. This was one of them! On graduation our History teacher gave out the diplomas signed, if you turned in something, (I forget what it was) When Bob looked at his, he said, 'Well I be D. went to school 13 years and still didn't get a diploma signed!! Oh well, what do I care, I am a farmer, I am not going to college , so I don't need one!!!!!! We all laughed, he and Dick Stauble were very close buddies.....what one didn't think of the other one did!!!!!!!!!! Great memory, Pat Casada Langdon.

“ The world was a better place because of Bob. His dedication to the youth through 4-H Tractor Safety Program served many youngsters. Bob always shared a good laugh along with a teaching moment. Prayers to his family and thank you for sharing him with us who call him a friend. Doug Eliason and family
