“ I played a lot of pool with Grandpa. That is why i am so good at it. I am almost as good as Grandpa. I remember almost ever time after supper or when he had a spare moment I would ask to play pool with him. He almost always said yes. I am really going to miss playing pool with Grandpa.,

“ Grandpa Bob and I used to do a lot of fishing. He was probably the reason i got hooked on fishing in the first place. I remember last summer that i caught around 48 fish and Grandpa helped me clean about half of them. In my opinion Grandpa was the best fisherman in Economy, Indiana. The whole fishing world will miss him. But i will miss all of the fun times I had fishing and being with Grandpa. When ever i do anything i will think of everything Grandpa has taught me.,

“ The Overtooms gave me a place to live for a year and Robert and his family treated me as one of their own. I will always cherish my memories of living there. My only regret is that I did not thank Robert more before he left us for all he did for me. Deepest condolences to one of the kindest families I have ever known.Peter FairmanSpringfield MA,
