“ I wasn't able to make the trip, but wanted to share my condolences with Pat and the family. Uncle Bob always gave you an honest answer, whether you wanted it or not. I think that's what I will take away most from the far too little time that I was able to spend with him. Pat- you are in our prayers back here in Iowa.-Adam and Trichelle,

“ Bob came into my life when I was very young, he's been there as long as I can remember. He made a big impact on our lives, especially for mom. I will always have the childhood memories of the water fights with Bob and of mom and Bob trying to scare my friend Kristi and I while watching a scary movie. Bob will be greatly missed by everyone. ,

“ Mom, Michael and I are saddened at the loss of this wonderful man in all of our lives, but particularly yours. We appreciated so much about dadtoo. He was a man of integrity and patience. He was an old-fashioned hard-worker ... both at his job and his home. His sense of humor was so greatly valued by us (and we know by you, too). We remember the pranks he played on you and Kathy and the many laughs we got from hearing about those stories (and witnessing some ourselves). How about the way you two terrorized (hahaha) the local children trick-or-treating in your neighborhood during Halloween years ago? Dadtoo's ability to love was never hidden from any of us. We'll always have precious memories of the two of you. You two were definitely soulmates. You deserved a good man, and you certainly got one in him. We're thankful that we got to spend the time with dadtoo that we did, and enjoyed when you guys came to Colorado to visit. We still remember him playing with our cat, Cooper. We know that you know our prayers are with you during this difficult transition. Your faith in God and love from your family will carry you, mom, and there is peace in all of our hearts knowing that he is with the Lord in Heaven ... no longer in pain ... happy in spirit and soaring high as we will all be in the future. ,
