“ *My Uncle Roger was one of the kindest and sweetest men to ever walk this earth! We were so blessed to be able to get together at my grandparents house every Sunday for dinner and playtime with my cousins. At the time I didn't realize just how blessed I was to be with family ever weekend.... I just thought that's what everyone did. I have so many fond memories of those times. One thing I could always count on was some wonderful hugs from Uncle Roger. He always made me feel so special and so loved!! He will be so greatly missed!!*
