“ *Uncle Ron was the absolute best uncle a kid could have! He was funny and full of life. My most fond memories were going hunting with him and my dad. We would have a great time out in the woods and afterwards savoring our time together and enjoying our triumph. He lived with our family for a bit, working with my dad and sort of being a big brother to me. He lived a great life and was an awesome man with strong conservative values that will live on in his family. I love you uncle Ron!*
