“ I worked several years with Ruby, she was a very dear friend to me. She was my best friend. We use to go shopping together, I would take care of her boys when Cecil and Ruby had some things to do at the church they attended. She was like a second mother to me. I loved her dearly. I have so many memories I could tell about but it would fill pages. I ams so glad that me and my husband had gone to Richmond and on the way back we stopped to visit Ruby. We had such a good time talking about things we had done. I am so glad I got to spend that time with her and I am so sorry for the family. I know they will miss her as I will also miss her. Praying for the family.

“ Aunt Ruby was one of the sweetest women I ever met. I lived listening to all the stories about her brothers and sister growing up in Russell Springs. She will be missed by many. Thoughts and Prayers to all of you. I would imagine it was a glorious reunion in Heaven with Cecil.
