“ I am so sorry to hear of Sabrina's passing. She was a classmate and good friend in grade school. She was always so kind and upbeat. I loved playing records at her house. Anna Mae I know how very close you have always been and hope your lovely memories lift your heart as you think of her. Prayers for her extended family.

“ Sabrina was one of my best friends all through high school and beyond. We even dated for awhile, but was better off just being friends. I was so shocked to hear that she had passed away. May God be with you, Anna Mae. I know the two of you were so close. May God bless You all during these days. Larry Snyder.

When my sister, Sara, and I were little, we were too young to travel to Florida to see our dad on our own, so Sabrina went with us. We enjoyed the beach together and I'm sure other sites that I don't remember. I also remember the excitement of her wedding, but most importantly (to only teenager-me) is that Sabrina let me try on her wedding veil. She was so cool. RIP my cousin. I love you. Cindy
