“ *In 1984, we lived in Lafayette. That summer Mark was stricken with encephalitis. He was critically ill and we had two small children. Shirley remembered Mark from church as a child. She mailed us the money to make a house payment. We assured her that we would be ok....but she insisted that we use that money to pay a bill and assured us there was more where that came from. What a special lady. We will never forget her kindness.*

“ Shirley was a lovely lady. She actually was selling real estate when we bought our present home. She helped us immensely during the whole process, and even gave us a lovely set of bath towels after it was done. I will never forget her.
