“ *Being a few years younger than Timmy, I had the pleasure of growing up around and with the Dale boys. I remember playing backyard football with Timmy and him kicking of his shoes and playing barefoot, I truly believe there wasn't a sport Timmy couldn't have played if he put his mind to it, lucky for us it was baseball/softball that he grew to love. Timmy was as fierce competitor on the ball field as I have seen, that being said he was also one of the kindest hearted people you could ever meet. Timmy you will be missed by Bryan, Kevin and Chad, as well as the rest of your family. You will be missed by those of us that had the pleasure of knowing you. Take it deep brother, take it deep.*

“ We are so sorry for your loss. We have lost one of the greats of the Hagerstown baseball family. Before he was a softball player, Timmy was a great baseball player for us. He was a tremendous competitor who hated to lose. He led us to a Sectional title at Richmond his Senior year scoring the winning run in the Sectional championship. He was very fun loving, but when it was game time he wanted to win so badly. It doesn't surprise me that Timmy was a family man because the Dales have always been about family. We will miss him and that great smile and laugh.

“ So sorry to hear of the passing of Tim. I worked with him at Kemper Cabinets back before they closed. He was so nice and fun loving guy. Always talked sports. We had a very good time together there. Made it a lot easier to work there. Please accept my heavy heart at this time to the whole family of Tim. He was a great person to get to know. Oh yes we always talked softball. His passion.

“ I was a young fella watching the Dale boys practice for a softball league. They were a man short and Timmy came over and asked dad to fill in. Made dads day and I thought it was cool that he offered. I remember his smile. But as a competitor he was fierce. Hadn't seen him in years.
Very sad to hear this today. RIP
