“ *We are greatly sorry to learn of Valarie's death. We're very thankful to receive this email tribute to Valarie, so that we are able to respond and epress our deepest sympathy to all of her family and friends. My wife and I have been especially close to Tim and Sandy Brogdon---and Tim, we are very sorry to hear of your loss. We are certainly thankful to have the privilege of knowing the truth from the Bible that teaches the hope of the resurrection by means of the ransom sacrifice of our Lord Jesus Christ. And, all of us who share that faith look forward to the thousand year reign of Jesus that is nearly upon us, that will bring about that restoration of life in a new world, a paradise earth, filled with faithful servants of God, and others being taught by them under the leadership of Jesus Christ. Our love and saddness of this loss we share with all of you. Richard & Cheryl Stephens,*

“ My sister Valarie was so close to my heart. I want all of you to know that I never felt close enough after she was diagnosed. This life makes us all feel so invincible, like we could NEVER die!! Oh but we CAN die so quickly. So quickly can life be taken from any one of us! Tell all your loved ones how much you love them. You may never see them again. "someone may take them away.." as the song by Bread says..the song is I Would Give Everything I Own! Please click the link in the row below this with the check mark. Then click on the words under the link column that have the title to the song.I LOVE YOU with ALL my heart and soul my sister!I will see you again one day... I just know it. Your sad oldest brotherTIM BROGDON,
