“ I was sorry to read in the paper where your Mom had passed away. I used to live in GreensFork and knew your Mom and Dad and Ada and Carolyn. I was Debby Wilson (maiden name) back then and also Debby Burnett. My parents knew your Mom and Dad as well (Jim and Kathryn Wilson) I can remember how your Mom and Dad always walked around town and they always stopped and talked to everyone..they were both good people. Again your whole family has my thoughts and sympathy during this time.,
