“ I was so blessed to have that funny, wonderful woman in my life for the past few years. I always looked forward to Tuesday’s at the Artistry Annex when I received a hug from Vida. My birthday was May 18th, and I think God wanted to remind me of what a special gift Vida was in my life.

“ Dean & Linda - It is so difficult to find the right words at a time like this - especially when someone passes that was such a big part of my family for so many years, and who was such a good friend to my mom. There are so many good memories - too many to begin to list. But I especially remember all the Christmas Eves . . . and playing Uno. Our heartfelt sympathy to both of you and your family.

“ *Vida. I will miss you so much. We have been friends for many years and shared our love of painting every Tuesday we could at the Art Center. Every once in a while we just decided to go to see someone's flower garden instead and visit. Had lots of fun lunches together. A very sweet lady. Our condolences and prayers of comfort to Dean and all the family.* ”

“ *Dean, you have my deepest sympathy. Vida was always so sweet, I loved playing Rummy O with her even though she was always a winner most of the time. I always enjoyed seeing her at the Art Museum and out to lunch with her Painting Group. Take care of yourself . I will be thinking of you in the days ahead.*
