“ *I worked with Dean at Modernfold from 1983 to 1987 - I learned a lot about customer service from how Dean handled things. I'll never forget, nearly all of his letters that he sent in reply to problems included the phrase "We apologize for any inconvenience...." He was a good guy!*

“ *We were so sorry to read of Dean's passing. Although we hadn't seen one another for years, we always kept in touch at Christmas with a card. The attached picture warms my heart . . . they're all together again. Our deepest sympathy to all of you.*
