“Daddy I can't believe it's been 6 years since you left us. I still don't know how to cope sometimes. It's so hard without you here. A lot has happened and I know something's wouldn't have ended up the way it did if you were here! Everything you told me has ended exactly as you said it would. But like you said Karma!!!

Anyway we'll your a great grandpa now. Mikey and Elizabeth had 2 little boys, Elijah and Maddox. Dom and Taylor are having a girl. And getting married next year. Trey and Emily had a little boy, he's Blumer the 4th. Keeping the name going. Hannah got Married and living in your house with Dylan. They will be the next to have a baby. Lol. All these babies. You and momma would be so proud of all your grandkids. I know I'm proud of them all.

Well now you have Aunt Jackie up there with you guys. Uncle les is doing ok. I'm sure he has his days.

Well I love you so much daddy and I miss you with everything in me. I wished you were here!!!

Love YOUR BABY GIRL

“ Hey Grandpa

So much has happened in the past 5 years. It's wild to me that it has been that long now. I hope you're keeping Grandma good company up there, but I imagine you're pushing some buttons hahaha.

All your grandkids are starting to grow up. Hannah got married a while ago to Dylan, you would've really liked him. D got engaged to Taylor in Hawaii, I think you would've really liked her too lol. Mikey gave you a great grandson, and has #2 on the way here soon. I got engaged last year to Em, and we are also pregnant with William Gene Blumer IV. Keeping our name going strong. I miss you so much Grandpa, and I think about you daily. I keep your painting in my living room so there isn't a day that I don't think back about our times together. I love you Grandpa.

“ Daddy we are coming up on The holidays. Not having you here for Thanksgiving and Christmas is gonna be so hard! I miss you so much! Levi sees you often and talks to your pictures. He even got shoes and said “PaPa” lol cause they look like your black Velcro ones! He will never forget you! You both had a great bond. I could sit here and talk about each grandchild but that would be so long! They all are doing good, you would be proud! My heart drops every time I see you on here! I just wished you could come back! I miss you more than you will ever know!!! I love you daddy!!! Your Baby Girl!!!!

“ We used to play games when I came over, uno, yahtzee, and you taught me how to play dice. We always had a good time and you always made me laugh. You were a great man. I'm sorry I hadn't made it to see you like we tried to plan around our schedules. Thank you for always keeping in touch and checking up on me.
