“ So very sorry to hear of Uncle Bill's passing. I am so grateful for all of the fond memories I have from when he and Aunt Betty came to Iowa to visit. I always looked forward to their visits and remember them as highlights of growing up. My favorite memories are of the many bbq's and Uncle Bill always playing tricks on people and taking their drinks and moving them around, or hiding something else of theirs. Prayers are with the whole family. Aunt Betty - I am thinking about you and hope that you find some peace.

With most sympathy, Amanda, Carter and Ayden Hemann
