“ *Oh how life goes on. What wonderful memories I have of Donna and Hob. They always welcomed me and treated me so special. Donna had to take care of me more than once. Rasberry Sherbert was always in the freezer jlust for me. It's so very odd that I feel we could just sit down and pick up where we stopped. I cherish those memories. Donna was the best! This video shows how much she loved her kids and grandkids and Cambridge. She'll be missed but she is in no more pain. That is a good peaceful thought. Love you all. Sorry I can't be there. Just know I'll be there in thought and prayer. Always, Arlys,*

“ My deepest sympathy, thoughts and prayers go out to your entire family. I only knew Mrs. Horton through working with her daughter Sherri, but I felt as if I knew about her through her daughter's love. The video tribute was simply beautiful and a wonderful way to honor her. May God comfort you in this time of sorrow.,

“ I was so sad th hear of Matties passing. It instantly brought back memories of that two family dwelling that we kids shared at a very early age. My heart goes out to each of you. Seems like there wasn't a time when I didn't know her. I'm not sure if I will be able to get home in time for the calling but I will be there with you in my thoughts and prayers. I enjoyed the video montage and in time it will bring you some comfort. I esp. enjoyed the photo of the old card club and actually could hear the cackling of those ladies while I lied in bed wanting to go to sleep the monday that mom would host. " May god bless and keep you always, may your wishes all come true, may you always do for others and let others do for you. May you build a ladder to the stars and climb on every rung and may you stay, FOREVER YOUNG." Thats how I fell when I think of the Horton family. Love you all, Brad,
